

THEME SONG???

Back in a year that looked just like this'n
I'm gonna tell a little story so you better sit and listen
There was a man named Donny who really had it made
Money, fame, and power. He was always gettin' laid

But one night Ol' Donny was beat up on the head
Dragged into a basement, thought he would be dead
But something much more sinister happened instead

Hey! Did you hear what I said?

Fuck man! Now he's a duck man.
Man, fuck. And that's a man duck
Stuck man. Stuck as a duck man
Both stuck. Duck man and man duck

Now they're fighting all bad guys that they can
So that Donny can go back to being full man
And that is where our story did began

Begin? Begun? Oh fuck I don't know.

Fuck man! He's a duck man!
Man fuck. And that's a man duck
Good luck man. To the duck man
Who needs luck with a man duck?

Duck Man and Man Duck!

INT. Zoo - Night

It's quiet. We see several animals asleep in their cages plus one aye aye wide awake with it's scary as hell eyes.

CRASH.

Somehow the aye aye's eyes get wider. It scurries to hide under a branch or something. We see it's eyes in the darkness.

GRUFF VOICE (O.S)

Hurry up.

OTHER GRUFF VOICE (O.S)

I'm trying! This thing is heavy.

GRUFF VOICE

Keep your voice down!

Reveal THE WRENCHMEN. Two burly looking dudes dressed like funky construction workers. WRENCHMAN BOB is standing inside the Zoo, having just climbed over the fence. WRENCHMAN PETE is trying to get a giant heavy crate over the top of the gate. The crate is shaking and has COCAINE STUFFED ALLIGATOR written across it. Finally, he chucks it over. It makes a huge BANG. Some rustling. Then silence.

WRENCHMAN BOB

Pete! Get over here!

PETE clumsily climbs the fence and then falls on his ass. Another BANG.

WRENCHMAN BOB

Jesus Christ, Pete. Be quiet. We don't want...them to find us.

WRENCHMAN PETE

Them? Oh they're just a myth.

WRENCHMAN BOB

No man, the boss has seen them!

WRENCHMAN PETE

Ah he hasn't seen nothing. There's no way that a-

WRENCHMAN BOB

(Hitting PETE on the shoulder)

Hey hey hey. (Points off) Look.

Standing in the middle of the zoo is a single duck. It's cute. Innocent. It waddles and bats it's little duck eyes.

WRENCHMAN BOB (CONT.)

Oh shit.

WRENCHMAN PETE

Oh come on. We're in a zoo! This little guy probably just got lost.

WRENCHMAN PETE walks up to the duck and crouches down to pet it.

WRENCHMAN BOB

Pete no!

WRENCHMAN PETE

Oh relax! (To the duck) You can't hurt me. Can you little guy? No! You're just a cute little duck! Just a cutie little ducky. Quack quack quack!

WRENCHMAN BOB

Pete-

WRENCHMAN PETE

Can you say quack quack?

Some rustling from behind BOB.

WRENCHMAN BOB

Pete!

WRENCHMAN PETE

Can you say quack quack?

The duck's face changes. It's not cute anymore. Fuck. PETE is afraid.

DUCK MAN

Quack quack motherfucker.

The duck reveals two human looking arms and punches WRENCHMAN PETE right in the face. Suddenly MAN DUCK, A duck head on a person's body hybrid thingy falls from the sky and lands right on WRENCHMAN BOB.

Badass music. A fight ensues. It is also badass. They are a couple of badass motherfuckers.

DUCK MAN

Sorry to drop on you fellas like this. We'll be out of your hair in no time. Just need the alligator.

WRENCHMAN BOB

(Waving his wrench)

We ain't giving you nothing!

BOB charges at DUCK MAN who uses his human arms to springboard himself into the air and punch BOB right in the face.

DUCK MAN

What are the Wrenchmen doing working for the Zoo Creeper? Kind of mixing themes, isn't it?

DUCK MAN punches BOB hard.

MAN DUCK

(Still fighting PETE)

Quack quack quack!

(Don't kill him!)

DUCK MAN

I'm not gonna *kill* him!

BOB moans in pain.

DUCK MAN

See? He's not dead. (To BOB) Shut up!

DUCK MAN punches him harder.

MAN DUCK dodges PETE's wrench and then trips him. PETE faceplants on the floor. MAN DUCK kicks his wrench away.

MAN DUCK

Quack quack quack quack.
(We're just here for the alligator.)

DUCK MAN

Then help me tie them up and go get the alligator!

MAN DUCK

Quack quack quack?
(Promise you won't hurt them?)

DUCK MAN

Fine. I won't hurt them. Probably.

CUT TO:

INT. Zoo - Night

WRENCHMAN BOB and WRENCHMAN PETE with their hands behind their backs up against a wall. Their wrench flies across and slams into BOB's nose. He cries out in pain and collapses.

DUCK MAN

Where's the Zoo Creeper?!?!?

WRENCHMAN BOB

Hey hey hey take it easy man! I don't know! I don't know ok? He just told us to get the alligator. He's got some sort of deal with it.

DUCK MAN

LIAR!

DUCK MAN hits him in the ribs with the wrench.

MAN DUCK
QUACK QUACK!
(Donny!)

DUCK MAN
What? I said probably.

WRENCHMAN PETE
Please. Please don't hurt us Mr.-

DUCK MAN
Did I say you could speak?

He slams the wrench into WRENCHMAN PETE's face.

DUCK MAN
Tell me where he is!

WRENCHMAN PETE
There's instructions in the alligator! We were gonna open it up to see
where to go next!

DUCK MAN
Huh. Thank you Bob. Pete. You've been a great help.

One last blow to each of them for good luck. These knock them out. MAN
DUCK looks disapprovingly at DUCK MAN.

DUCK MAN
What? They're not dead. Just knocked out. I think. (Pause) I'm pretty
sure. Yeah they're not dead. They're not dead. (To the WRENCHMEN) Hey
guys, if you're not dead don't say anything. (Pause) See?

MAN DUCK shakes his head.

DUCK MAN
Don't give me that. Just go put the alligator in the Duckmobill.

EXT. The road back to Duck Mansion - Night

A bright yellow car with orange bumpers (The Duckmobill) zooms down the road. The crate with the alligator sticks out of the trunk.

INT. The Duckmobill - Night

DUCK MAN and MAN DUCK in the Duckmobill. MAN DUCK is driving.

DUCK MAN

Ok. So things got a little out of control.

MAN DUCK

Quack?!

(You think?)

DUCK MAN

But we did get the alligator so...worth it?

MAN DUCK doesn't say anything.

DUCK MAN

Don't do that.

MAN DUCK

Quack quack?

(Do what?)

DUCK MAN

Give me the silent treatment.

MAN DUCK

Quack quack quack.

(I don't know what you're talking about.)

DUCK MAN

I know ducks may be friendly and hippie dippy cumbiah but you're part human now. And we solve our problems with rage.

MAN DUCK

Quack quack.

(Whatever)

DUCK MAN

Sooner you embrace that, the sooner we can get this whole operation moving and get us back to normal.

MAN DUCK

Quack...
(Right...)

DUCK MAN

The alligator leads us to the Zoo Creeper which *could* lead us to the Animal Masher.

MAN DUCK

Quack quack quack.
(You said that last time)

DUCK MAN

Ok, well I should've known the Rubberbandit wasn't working for the Animal Masher. That was a little bit of a stretch.

MAN DUCK

Quack quack.
(Uh huh.)

DUCK MAN

But the Animal Masher and the Zoo Creeper shared a cell together in prison so I think we have more of a shot. If Animal Masher is out there, Zoo Creeper knows about it.

EXT. Driveway of the Duck Mansion - Night

The Duckmobill pulls into the driveway of Duck Man's massive mansion.

INT. The Duck Mansion - Night

DUCK MAN and MAN DUCK stroll into the entry space of the mansion. MAN DUCK is lugging the alligator crate up the stairs. He gives an exasperated "Quack" with every pull.

DUCK MAN squeezes a rubber duck on the mantel of a fireplace and a secret door to the Duck Cave opens.

INT. The Duck Cave - Night

The two come down the loooong stairway into the cave. MAN DUCK is still lugging the crate and letting out a strained little "quack" with every pull. They finally reach the bottom. They stand over the wiggling crate.

DUCK MAN

Alright. Open it up.

MAN DUCK

Quack?

(Me?)

DUCK MAN

Well, I'm not gonna do it! I look like a duck! He'd try to eat me first!

MAN DUCK

Quack quack quack!

(I look like a duck too!)

DUCK MAN

You look like a duck monster. I look like a monster duck.

MAN DUCK

Quack?

(What?)

DUCK MAN

As the original human and superior species on this planet, I demand you to open that crate!

Angered look from MAN DUCK.

DUCK MAN

Pretty please?

MAN DUCK

(Mumbling under his breath)

Quack quack quack quack.

MAN DUCK takes a very large crowbar and opens the crate. We hear roaring sounds and both ducks stand alert. Then:

Out of the crate comes the cutest alligator that has ever lived. Tiny. Big eyes. Adorable little smile. His belly is bulging slightly from where they put the cocaine but he's a cutie.

MAN DUCK
(Melting)
Quaaaacck.
(Awwwww)

ALLIGATOR
Alligator Alligator Alligator?
(What happened? Where am I?)

MAN DUCK
Quack quack quack.
(It's ok. You're safe now.)

ALLIGATOR
Alligator Alligator?
(Who are you?)

MAN DUCK
Quack quack quack quack.
(I'm Man Duck and this is Duck Man)

ALLIGATOR
Alligator Alligator Alligator
(Hello Duck Man and Man Duck. I'm Alligator.)

MAN DUCK
Quack quack.
(Nice to meet you, Alligator)

DUCK MAN
Well, this is all very touching. (Pause) Alright. Let's cut it open.

DUCK MAN produces a giant buzz saw and waves it at ALLIGATOR.
ALLIGATOR looks horrified and MAN DUCK jumps in front of it.

MAN DUCK
Quack quack!
(What are you doing???!)

ALLIGATOR starts to cry.

DUCK MAN
The Wrenchmen said that the instructions from the Zoo Creeper are in
the alligator. So we gotta gett'em out.

MAN DUCK
Quack quack quack quack!
(We can't just kill him!)

DUCK MAN
Do you want to stay a part duck part human hybrid for the rest of your
life? Or do you want to go back to blissful ignorance and not paying
taxes?

MAN DUCK
Quack quack quack quack.
(There's got to be another way to figure out where he is.

DUCK MAN
We don't have time for that. The Zoo Creeper is gonna strike again and
we have to be there!

MAN DUCK
Quack-
(But-)

DUCK MAN
Ducky, everyday we wait is another day where the Animal Masher could
do this to someone else. Do you want that to happen?

MAN DUCK
Quack...
(No...)

DUCK MAN
Ok. Then we cut it open.

Once again, DUCK MAN produces a giant buzz saw and waves it at ALLIGATOR. ALLIGATOR, once again looks horrified.

MAN DUCK

Quack!

(Wait!)

Buzzsaw goes away.

DUCK MAN

What now?

MAN DUCK

Quack quack quack quack quack. Quack quack quack
(Give me twelve hours to think of something. Then we do it your way.)

DUCK MAN

(Sighs)

Fine. If you can come up with something in twelve hours then the
little guy gets to live.

ALLIGATOR

Alligator!

EXT. The Roof of the Duck Mansion - Night.

MAN DUCK and ALLIGATOR sit on the roof, looking up at the stars.

ALLIGATOR

(Wow, these stars are so pretty!)

MAN DUCK

(Haven't you seen stars before?)

ALLIGATOR

(No, I was born in a tank in a warehouse outside of town. They were
making a bunch of us to smuggle cocaine in.)

MAN DUCK

(Why would they do that?)

ALLIGATOR

(Who knows? Maybe people are less likely to look if it's inside a scary alligator?)

MAN DUCK

(Well, you're not very scary.)

ALLIGATOR

(Thank you. You're not very scary either.)

MAN DUCK

(I'm sorry that happened to you.)

ALLIGATOR

(It's ok! I'm free now, thanks to you. I can do whatever I want!)

MAN DUCK

(And what do you want?)

ALLIGATOR

(I want to go around the world with other friendly alligators and show people that we aren't that scary after all. We like hugs and the color blue and summer days just like you.)

MAN DUCK

(I think that sounds wonderful.)

ALLIGATOR

(You think I could be like that?)

MAN DUCK

(You can be whatever you want to be. As long as I'm here. Nothing can hurt you.)

INT. DUCK MANSION - Night

ALLIGATOR is fast asleep on the couch. He looks as cute and as peaceful as ever.

We hear shuffling. DUCK MAN's eyes pop up in the darkness. More shuffling. DUCK MAN hovers over ALLIGATOR, breathing heavily. He raises the buzzsaw.

DUCK MAN

Sorry pal. But we gotta find the Zoo Creeper.

ALLIGATOR wakes up. Peacefully at first but then he notices DUCK MAN and he's afraid. Before he can react any further though, DUCK MAN brings down the saw. Blood and guts sprays everywhere. It gets on DUCK MAN's face. He screams. ALLIGATOR makes sounds like Jason Vorhees chopping up a care bear. Cute and tragic and pained.

Silence.

INT. The Next Morning. The Duck Mansion Kitchen - Day

DUCK MAN is washing his bloody hands in the sink. MAN DUCK walks into the kitchen in a robe, rubbing his eyes.

MAN DUCK

(Good morning)

DUCK MAN

Morning.

MAN DUCK

(Have you seen Alligator? I want to ask him if he knows anything about the Zoo Creeper.)

DUCK MAN

Haven't seen him since last night.

MAN DUCK looks confused and starts to walk into the kitchen.

DUCK MAN

(Chasing after him)

Oh, by the way, don't go into the living room!

INT. Duck Mansion Living Room - Day

MAN DUCK walks into the kitchen and sees alligator guts everywhere and piles of cocaine scattered about. He falls to his knees and cradles what's left of the body.

DUCK MAN

So I have good news and bad news. The good news is I know where the Zoo Creeper is. The bad news is, we gotta call the cleaners and I do not know how we're gonna explain this.

MAN DUCK

(How could you do this?)

DUCK MAN

Ok ok. I know I said twelve hours but come on, you gotta admit, my way is just so much easier.

MAN DUCK just stays there.

DUCK MAN

Ok, well...not much else to say here, is there? You want some cocaine? It's uh (Sniff) Pretty good.(Pause) Ok. Um well, get dressed. We're going downtown.

EXT. Duck Mansion Driveway - Day

The Duckmobill pulls out of the garage.

INT. Duckmobill -Day

MAN DUCK drives. DUCK MAN in the passenger seat. Music plays on the radio. No one speaks. Then:

DUCK MAN

Do you wanna talk about it?

MAN DUCK shakes his head.

DUCK MAN (CONT.)

Ok.

Pause. Then:

DUCK MAN

I mean, as far as deaths go, that was pretty quick if you ask me.

No response.

DUCK MAN

And we had just met the guy. Maybe he was a real asshole and we just did the world a favor.

No response.

DUCK MAN

See ya later, Alligator.

MAN DUCK slams on the brakes and DUCK MAN's face crashes into the dashboard.

DUCK MAN

(Still smashed on the dash)

Ok. I deserved that.

EXT. Abandoned Warehouse - Day

The Duckmobill pulls up to the warehouse.

DUCK MAN(V.O)

Wait wait wait. Stop here.

EXT. Abandon Warehouse - Day - Continuous

DUCK MAN and MAN DUCK get out of the car and start walking towards the entrance.

DUCK MAN

Alright. Let's get this son of a bitch.

MAN DUCK

Quack quack quack.

DUCK MAN

Let you do the talking? Every time I let you do the talking somehow I still have to do the talking.

INT. Abandon Warehouse - Day

The Zoo Creeper's operation. On one side a bunch of cages filled with different zoo animals. On the other side a big conveyer belt assembly line. People are taking cocaine and stuffing it into the animals on the conveyor belt.

WRENCHMAN BOB and WRENCHMAN PETE are cowering at the foot of the Zoo Creeper who stands on a raised platform. He looks like a villainous zoo keeper drug lord sort of vibe. A coked out lemur sits on his shoulder, practically buzzing.

ZOO CREEPER

So let me see if I have this correctly. One of my animals was stolen. By a *duck man* and a...what did you call the other one?

WRENCHMAN BOB

A Man Duck.

WRENCHMAN PETE

What's the difference?

WRENCHMAN BOB

One is more duck than man and one is more man than duck.

WRENCHMAN PETE

Which one is which?

WRENCHMAN BOB

I think the-

ZOO CREEPER

Quiet!

The lemur slaps both of them across the face.

ZOO CREEPER

(Petting the lemur)

Thank you Reginald. I don't care what they're called. I care about the fact that that creature had the location to this warehouse inside it and thanks to you idiots they are going to shut down OUR ENTIRE OPERATION!!!

Reginald raises his hand to slap again.

ZOO CREEPER

Not yet, Reginald.

Reginald looks disappointed.

ZOO CREEPER (CONT.)

Everyone! Pack it up! We gotta move-

DUCK MAN(O.S)

Can we say something before you...duck out?

Pan over to DUCK MAN and MAN DUCK. MAN DUCK rolls his eyes.

DUCK MAN(CONT.)

Fuck you. That was funny.

ZOO CREEPER

AAAAAAAHHHHHH!!! Ok, everyone. Change of plans. Release the man-eating laser tigers!

TWO of ZOO CREEPER's henchmen open up the cages with giant bloodthirsty tigers with lasers strapped to their backs. They leap out of the cage ready for blood with spit dripping down their fangs.

DUCK MAN

Man, can't we just have regular man-eating tigers? Did you need the lasers?

ZOO CREEPER

(Referring to the Tigers)

Stephanie, Roger, dinner is served.

The tigers surround DUCK MAN and MAN DUCK. They get in a fighting stance.

DUCK MAN

Just another Tuesday. Right, ol' buddy?

MAN DUCK

Quack quack.

(It's Wednesday)

DUCK MAN

Ok, Wednesday. Is now really the time for-

One of the tigers shoots a laser at DUCK MAN but MAN DUCK pushes him out of the way.

DUCK MAN (CONT.)

Thanks.

A tiger pounces at MAN DUCK and DUCK MAN pushes him out of the way and punches the tiger square in the jaw.

DUCK MAN

Not so mighty mighty, are you, tigers?

MAN DUCK

Quack quack!

DUCK MAN

Hey. I think my jokes are grrrrrrreat!

Another laser. DUCK MAN dodges.

A badass fight between DUCK MAN, MAN DUCK, and the tigers. Both of them shoot lasers at DUCK MAN but MAN DUCK throws him a trash can lid and he deflects it. The other jumps on DUCK MAN while he's distracted and scratches him but he throws it off.

More things of that nature. Make it cool. Make it really ducking cool.

At some point, MAN DUCK throws one of the tigers off of him and it falls to the ground. MAN DUCK stops. He sees on the tiger's back that the lasers are hurting the tiger to make it angry.

Meanwhile, the ZOO CREEPER has gathered up all of his things and is loading them into a van with his henchmen (and the WRENCHMEN). DUCK MAN sees.

DUCK MAN

Ducky! He's getting away!

DUCK MAN punches the remaining tiger away.

MAN DUCK

Quack quack quack!
(He's torturing them!)

DUCK MAN

What? Who's torturing who?

MAN DUCK

Quack quack. Quack quack quack.
(Zoo Creeper. The lasers are hurting them and making them angry)

DUCK MAN

(Punching the remaining tiger)
Well, this tiger is making *me* angry because the Zoo Creeper is getting away. A little help?

MAN DUCK

Quack quack!
(Don't hurt it!)

DUCK MAN

Ducky, can we talk about this later? HE'S GETTING AWAY!!

MAN DUCK

Quack quack quack!
(We gotta help them!)

DUCK MAN looks at where ZOO CREEPER ran off to. Then back at MAN DUCK and the tigers. He really tries to ignore MAN DUCK. He really does. But he can't.

DUCK MAN

Goddammit. Fine! Toss me that crowbar!

MAN DUCK tosses DUCK MAN a crowbar. DUCK MAN catches it and just as the tiger charges again, he hits the laser and knocks it off the tiger. The tiger stops attacking. Looking relieved.

STEPHANIE THE TIGER

Tiger tiger!

(Thank you!)

DUCK MAN

Yeah yeah. Whatever.

MAN DUCK has already released ROGER THE TIGER from his laser. The two tigers look overjoyed.

ROGER THE TIGER

Tiger tiger tiger.

(You freed us!)

STEPHANIE THE TIGER

Tiger tiger!

(You're heroes)

DUCK MAN

I wouldn't go so far as to call us heroes. If it were up to me, you'd be dead in a-

MAN DUCK hits duck man.

MAN DUCK

Quack quack.

(Happy to help)

STEPHENIE THE TIGER

Tiger tiger tiger.

(There are others like us still trapped)

ROGER THE TIGER
Tiger tiger tiger
(Will you save them too?)

MAN DUCK
Quack quack quack quack.
(We'll do everything we can.)

The TIGERS start to cry.

STEPHENIE THE TIGER
Tiger tiger tiger. Tiger tiger tiger tiger. Tiger tiger tiger tiger.
(For the longest time, we thought we would never be free. That no one
cared. But we now know that the world is at least a little bit kinder
than that.)

DUCK MAN is touched but he tries not to show it.

DUCK MAN
Oh uh you know...just doing our job.

STEPHANIE THE TIGER
Tiger tiger tiger.
(Let us go, brother.)

The TIGERS walk out of the warehouse and into the sunset together.

INT. The Duckmobill - Day

MAN DUCK is driving. DUCK MAN in the passenger seat. He's
uncharacteristically smiling. MAN DUCK chuckles.

DUCK MAN
What?

MAN DUCK
Quack quack quack quack quack quack?
(Does someone like being a hero after all?)

DUCK MAN
What? No. I didn't *like* being a hero. Fuck you. No. Thanks to you, we
lost the Zoo Creeper. I don't care about the tigers. No. Fuck you.

MAN DUCK smiles.

DUCK MAN

Shut up
